

**Come Back To Where It Started  
at  
OAKS ELEMENTARY SCHOOL**

**Date: Thursday, June 8, 2017  
Time: 4:15pm-5:15pm**

As we near graduation time,  
Fond memories fill my heart.  
Of all the many boys and girls,  
Whom I've helped give a start.

We worked and played-shared happy times,  
The years have come and gone.  
We mastered math and reading,  
Many battles we have won.

Those tiny kids I greeted,  
On that first day, have grown.  
You're now young men and women,  
The finest I have known.

I know you'll meet the challenge,  
I know you'll pass the test.  
Congratulations to all of you,  
I wish you the very best.
